

CANARIE ELECTRONICS INC.

-For Better Connections...

Canarie Electronics Inc is a professionally run Electronic Components Distribution company since 1985. We specialize in Sourcing the maximum BOM components across the globe. We also provide Design-in engineering support, suggest Alternate cost effective components.

Equipments:

Microtronix Systems Ltd. Design and manufactures **Telephone Test Systems** (PSTN / VoIP) for the global market.

Taga Manufacturing Co., Ltd. Design and manufactures fully **Automatic production line Coil winding machines** (bench top & Production line) .

ECG-KOKUSAI Design and Manufactures Testing machines to test the Inductance of the coil, Starter Motor Test Equipment, Transformer Test Equipment, Vibration Tester, Water Leakage Test System, IC Automatic Production System.

Software Products:

Flynn Systems manufacturers of **Boundary Scan software** to generate test patterns for advanced digital devices.

Numberone specializing in low cost **EDA tools** (schematic generation software, circuit simulation side, a digital simulator, Pulsar Professional).

Conitec's is a manufacturer of Compact size **Flash programmer**, the new Galep supports EPROMs, EEPROMs, FLASH EPROMs, serial EEPROMs, Microcontrollers, GALs and PAL CEs - handling up to DIP40 devices without requiring additional adapters or circuitry.

Active Components:

IC Plus Specializes in **Ethernet controllers** (Integrated 10/100/1000 Gigabit Ethernet Transceiver, Serial to Ethernet Controller, 24-port 10/100M + 2-port Gigabit Smart Switch Controller, Media Converter, 5/16/24/26 Port Ethernet Switch controllers).

Conexant Systems, Inc. is a leading provider of solutions for imaging, video, audio, and Internet connectivity applications, and holds leadership positions in the major segments it addresses.

GPS Module & Vehicle Tracking unit.

Passive Components:

Elna is a Leading Electrolytic Capacitors, Tantalum chip capacitors, Double layer Capacitors from Japan

Sanshin Group provides all types of Ceramic Trimmers.

Hosonic is a leading crystal clock oscillator manufacturer specialized in Crystal clock oscillator, Surface Mount Oscillator, Voltage Controlled Crystal

Shinmei Electric is mainly for Switches, Relays, connectors.

Gigalane is one of the leading **RF & MW Connectors, Assemblies, Adaptors & Co-axial micro plugs and jacks.**

Shenzhen Faster PCB Electronics Co., Multilayer PCB Manufacturers.

Bencent Electric Ltd

GD Tubes, Sidectors, TVS

For Thin Film Capacitors.

ICs / Transistors / Thyristors / Diodes / LEDs / CCFL

BOURNS®

Resistors, Diodes, Transistors & Thyristors
